

MOVING IMAGE PRACTICE

Summer Session Term 1 2020

ONLINE Meeting Time: Mondays 9 am - 10:15 am

(AMI 301S-01 / THEATRST 370S-01 / VMS 261S-01)

*****Camera not required!*****

Moving Image Practice explores the endless possibilities of time-based media through the investigation of sound, image, and light. In this course, the students will learn how to edit, film, and work with sound through the completion of both group work and individual projects. The students will engage in critique and class discussion via Sakai's Forums. Some of the exciting projects we will be working on are desktop films, correspondence films, found footage films, and light studies.
